A simple thanks before We Go,
Because we'd all like you
To know,
We realize,
Even though it wasn't
Always fun,
You put yourself out,
To help us all,
To get things done,
And as seniors we will
Leave for,
Who knows where,
But we'll always thank you
Mrs. Colace
For being there,
We know you care.
The Senior
Class

We'd like to extend a special thanks to Mrs. Priscilla Clarke for 16 years of dedicated service to MHS. Her devotion has been greatly appreciated by the student body.

Go placidly and the noise and waste, and remember what comfort there may be in owning a piece thereof, avoid quiet and passive persons unless you are in need of sleep

Rotate your tires, speak flowingly of those greater than yourself and heed well their advice even though they be turkeys.

Know what to kiss and when, consider that two wrongs never make a right but that three do.

The Medfield High School Girls Soccer Team was led to a very respectable 8-3-1 record by coaches Pat Scarsciotti and Phil Peterson. Sandy Fletcher sizzled with a season score of 48 points, with Amy Kelly in hot pursuit with 41.

Although involved in no organized league, the girls played a definite schedule. The season's highlights were against Foxboro; the team beat them 6-2 in the first game and conceded defeat in double overtime in the second by a score of 5-4. Next year the team is hoping to enter the Bay State League. Medfield Soccer continues its excellent reputation with girls such as these.

The Medfield High School Boys Soccer team just completed their most successful season in their short history. Led by Co-Captains Barry Anes and Doug Sharp, High Scorer Kurt Scarsciotti, and Center Halfback Eric Aronson the team tied Dover-Sherborn for the TVL title. Upon qualification to the state Soccer tournament, the team defeated Wilmington in overtime for their first tournament victory ever. They were eventually eased out of the tourney by Wayland. MHS's outlook for the future looks good as they are only losing 4 seniors. Along with the loss of their Co-Captains, the losses of Peter Ness and Jim Hamilton leave a large void in Medfield's defensive corps.

Juniors Bob Bready and Tim Reardon developed well towards the end of the season. Another significant contribution to the team was made by the effort put forth by sophomore Doug Fetteroll.

GIRLS HOOPS

The Medfield girls basketball team had a rough season this year in a rebuilding season. The girls had two new coaches this year with Tom Cowell taking over the varsity and Georgeanne Iverson coaching the J.V.'s.

The girls started off the season on the wrong foot by losing six of their first eight games. They did much better in the second part of the year but they could still not put together a .500 season. The team was led by lone Senior, Co-Captain Nancy Sullivan, and Co-Captain Lori Woodlock. Team members included: Sue Kallio, Chris McDonnell, Mary Gerah, Donna Dewar, Nancy Juda, Gayle Horton, Linda Woodlock, Beth Tomney, Sandy Fletcher, and Sue Chick. The junior varsity was led by Kelly Roberts, Robin Hoover, Jan McDonnell, and Patty 'Ollie' Ruzzo.

MHS ICE HOCKEY

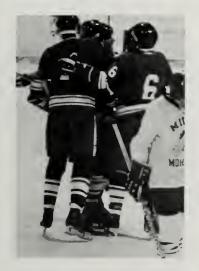

Medfield High School added some new sports this year and among them is boys ice hockey. For the teams first year it was a hard season and they faired pretty well. The team was led by ten seniors including Tri-Valley League all-stars Glenn MacKenzie and Steve Forsythe. MacKenzie was also second in the league in scoring, as the line of Gillis Lynn, Mark Flavin, and MacKenzie accounted for most of the Warriors scoring. Coach Morgan is hoping lead his fifteen returning players to a much more productive season next year, and with the talent returning to the Medfield line-up next year, the future for Warrior hockey looks bright.

The Medfield cheerleaders did an excellent job cheering on Medfield's football and basketball teams along with some hockey and soccer games. Elizabeth White, the captain, led an exciting set of pep rallies which provided a lot of school spirit. Other members of the team were: N. Moran, J. Hughes, S. Ferraira, D. Warren, S. Fletcher, L. Bohen, J. Crowcroft, K. Shiels, T. McCarrick.
